

TENTH ANNIVERSARY.

The Woman's Relief Corps Celebrates.

Chamberlin Relief Corps celebrated its tenth anniversary Thursday at G. A. R. Hall. About 100 members and friends were present and thoroughly enjoyed the interesting exercises. The programme was carried out as given in last week's CALEDONIAN.

After a piano solo by Miss Margaret Gorham, Mrs. Fannie W. Parkhurst spoke of the origin of the Woman's Relief Corps. She said that the Woman's Relief Corps was begun when the women ever ready gave their assistance to the cause in '61, by preparing the clothing, linen, bandages and lint for the wounded soldiers and assisting in caring for the sick and dying. In 1869 the first organized relief corps was formed at Portland, Me. Massachusetts and Connecticut soon followed. In 1883 delegates from the different states met at Denver resulting in the organization of the National Order. Much credit is due the Massachusetts order because of their efforts in bringing about the above result.

In the autumn of 1884 a St. Johnsbury lady visited the Relief Corps at Brattleboro and was greatly interested in the work done there. After her return, Chamberlin Relief Corps was organized Nov. 21, 1884, with Mrs. Margaret Ide, president, and Mrs. C. A. Thompson, secretary. The corps has aided Chamberlin Post in various ways and is called the banner relief corps of the state. Attention was called to the recent unfurling of the flag at the union school by the children, showing that patriotism is being instilled into the youth. In closing, hope was entertained that Chamberlin Relief Corps would celebrate its 20th anniversary.

Miss Stephens followed with a reading, W. B. Atwood sang the ballad "Farewell," Miss Helen Hall gave a recitation, and was recalled, and Miss Brown and W. B. Atwood sang a duet.

Mrs. Charlotte A. H. Thompson told her listeners what the National Woman's Relief Corps has done since its organization. Every state in the Union except one is represented in this order; and \$1,000,000 has been expended for the needy soldiers, widows, orphans, nurses and many others since its organization eleven years ago. At the national conventions great stress was laid on the fact that patriotism should be thoroughly instilled into the mind of every child in our country through the schools. Resolutions have been passed by the National Order that it should be compulsory that patriotism be taught in every school, and that the child be thoroughly taught the difference between patriotism and treason. The loyalty of the Woman's Relief Corps is unquestioned and will ever be unchallenged.

Mrs. H. K. Ide followed with the solo, "Should He Upbraid," Miss Stephens recited "A Song of Degrees," and was recalled, and Miss Brown sang "Summer Moon."

Such members of the Chamberlin Post as Commander Thompson, Major Bowman, Rev. T. Tyrie, and Rev. H. M. Douglas responded very happily, after which refreshments were served, followed by a promenade.

COUNTY CONVENTION.

The sixth semi-annual convention of the Christian Endeavor Union was held in the North church Monday and Tuesday and was attended by over 50 out-of-town delegates. The convention opened Monday evening with strong addresses by E. G. Osgood of Bellows Falls, president of the state organization, and Mason S. Stone, state superintendent of education. Through Tuesday papers and addresses were given according to the programme previously published. In the evening the closing address was given by Rev. Dr. A. H. Heath upon the theme "Christ our Model." Previous to this address Mr. Fitts, representing the Boys' Home at Westminster, spoke of the work the Home was doing. The banner for the best representation went to the Danville society and the junior banner for the most mission work to the South church society, which had the banner last year.

These officers were elected for the ensuing year:

President, F. H. Brooks, St. Johnsbury.

Vice President, Miss Alice Hall, Lyndon.

Secretary and Treasurer, Miss Helen Graves, St. Johnsbury Centre.

Assistant Secretary, Miss Fannie Russell, St. Johnsbury.

Junior Secretary, Miss Ella Wilmarth, St. Johnsbury.

Mr. Brooks declined to serve an other year and his successor will be appointed. These resolutions were adopted by the convention:

Resolved, That as Christian Endeavorers we reaffirm our motto and that the best of our time and strength shall be given "For Christ and the Church."

That we urge upon all societies to share in three advance movements recommended by President Clark—world-wide endeavor, good citizenship and inter-denominational fellowship.

That we recommend that each society

should adopt sufficient committees to give each active member some definite work and that committees should have regular committee meetings;

That special attention should be given to the work of the temperance and the Sunday school committees;

That each society should strive to develop its junior work;

That our thanks are due the railroads for reduced rates, to the people of St. Johnsbury for their hospitality, to the North church and its Endeavor society, to our officers and to all who have helped make our convention a success.

FRANK F. LEWIS, Committee on Resolutions.

A NEW RAILROAD.

A charter has been secured for the Hardwick and Woodbury railroad and it is proposed to form a stock company of \$50,000 capital to build a line from Hardwick to the granite quarries in Woodbury, a distance of about six miles. A strip of one mile and one-half has already been built from Hardwick towards these quarries by the Boston & Maine railroad, which they will probably lease to the new company although they will not build more themselves, so the new railroad would only be 4½ miles long. The incorporators of the railroad are L. D. Hazen, H. N. Turner, E. H. Blossom, T. C. Fletcher, George W. Cree, all of this town, Congressman Powers and George M. Powers and Gov. Hendee of Morrisville, C. A. Waston of Woodbury and Alfred Watson of Hartford. A provision of the charter allows the company to bond both the towns of Hardwick and Woodbury, though it is believed that enough stock can be raised by private subscription without bonding the towns. It is proposed to build the railroad next spring if the necessary funds can be raised. With this railroad completed there is so reason why Hardwick should not become a second Barre and the road will do much to build up both of these towns. The people ought to subscribe generously to this enterprise and the CALEDONIAN hopes to see it completed in 1895.

ST. JOHNSBURY EAST.

The Young People's Society Christian Endeavor will give a literary entertainment at the church Saturday evening at 7.45. A general invitation is extended to all.

The remains of the widow of the late Osman Severance were brought here on Monday, from Hanover, N. H., and buried beside her husband.

Miss Belle and Stella Gates have gone to Lisbon, N. H., to spend Thanksgiving with their brother.

Mrs. L. W. Fisher is suffering with an attack of sciatic rheumatism. The light from the fire at Lyndonville was seen here at 4 o'clock, it being as bright as any moonlight night.

ST. JOHNSBURY CENTER.

Union Christmas services will be held this year at the Methodist church. All the people in the community are cordially invited to participate in these exercises. All who sing are requested to meet at the vestry, Sunday, Dec. 2d, at 5 o'clock.

Mrs. Jessie Slayton of Morrisville, is visiting Mrs. Inez Jones.

The Epworth League will give a concert, "The World's Cry of Need," in the M. E. church on Thursday evening, Nov. 29, commencing at half-past seven. Everybody is cordially invited to attend. A collection will be taken.

SLAVERY DAYS.

At Howe's Opera House Thanksgiving night the big Slavery Day Company with forty people will hold forth. This company gives the most novel performance seen here in a long time; and among the interesting features is a cotton plantation in full operation, with slaves at work picking cotton, also the famous cake walk which is so popular in New York city. We quote below an extract from the N. Y. Herald:

The colored attraction, "Slavery Days," which opened at People's Theatre, Brooklyn, last evening, is the most enjoyable performance that has been given at the above theatre. This season and comprises artists of ability. The singing and dancing of this company are remarkable and deserved all the success it achieved last evening.

FRIDAY'S CONCERT.

The second concert in our course comes at Music Hall Friday evening and will be given by the Boston Lyric Club. The artists in this company are Miss Helen M. Young, soprano; Miss Harriet Whiting, contralto; D. M. Babcock, bass; Wulf Fries, cellist; John C. Manning, pianist. Mr. Babcock and Mr. Fries have been here several times before and it is always a delight to hear them. The other soloists are all artists and the patrons of the course have a fine concert in store.

DARTMOUTH COLLEGE NOTES.

The Medical college closed last week and will open again the first of January.

Charles Harrington, St. J. A. ex-'94,

has returned home where he expects to spend a week and then intends to spend the rest of his vacation in a doctor's office in Keene, N. H.

Harry Clark will teach this winter in Pompanoosuc, the school commencing Dec. 8.

Owing to over-confidence, B. T. Marshall, '97, captain of the Sophomore foot ball team, failed to give his men enough practice and consequently the Freshmen, captained by Clark, '98, were victorious by the score of 6-0. Clark, St. J. A. '94, kicked one of the most difficult goals that has been seen here this season.

TO THE PUBLIC GENERALLY.

It has been suggested through these columns that we employ agents to sell our work, which is true in part only. Also that they have been obtaining money under false pretences, which is false. We give with each dozen cabinets a nice life size bromide for \$4.00, the price alone of one dozen cabinets. But we do not give twelve chromos in place of twelve photographs. We have never purchased any gold or silver medals but work on our own merits and show specimens of our own make only.

O. W. CHASE, Photographer, 65 R. R. St., St. Johnsbury.

CLUB PAPERS.

The CALEDONIAN will club as usual with all the leading publications and can quote prices on any not in this list. We give below a few prices, without the price of the CALEDONIAN, which is \$1.50 a year.
